Accessed June 14, 2004.  
Focuses on the role of hatcheries to restore paddlefish populations. Includes general facts on the fish.
- Sutherland, Donald J. and Wayne J. Crans. Mosquitoes in Your Life. New Jersey Agriculture Experiment Station publication No. SA220-5M-86. Available at  
<http://www-rci.rutgers.edu/~insects/moslife.htm>.  
Life stage of three different species of mosquitoes – *Anopheles*, *Aede* and *Culex*.
- Understanding Invasive Aquatic Weeds*. Aquatic Plant Management Society Inc. 15pp. Vicksburg, Miss. 2002.  
Activity book to increase awareness of the importance of native plants in lakes, rivers and wetlands, and the destructive potential of invasive weeds to these areas.

- Vaughan, R. 2000. *Mosquitoes: Their Place On the Planet*. SeaScope Aquatic Activities. Louisiana Sea Grant College Program: Baton Rouge, La. Mosquito unit designed for use with Scope-on-a-Rope. To order, call (225) 578-6448, or email [jsche15@lsu.edu](mailto:jsche15@lsu.edu).
- Wagner, Steve. March/April 1992. "The Prehistoric Paddlefish." *Outdoor Oklahoma*. [http://www.nativefish.org/Articles/Pre\\_Paddlefish.htm](http://www.nativefish.org/Articles/Pre_Paddlefish.htm). Accessed June 14, 2004.
- Washington State Joint Natural Resources Cabinet. 1999. *Statewide Strategy to Recover Salmon – Extinction is Not an Option, Hatchery Management to Meet the Needs of Wild Fish*. Olympia, Wash. Electronic edition available at <http://www.governor.wa.gov/gspro/strategy/strategy/hatcheries.pdf>. Hatcheries information from the Web site of Governor Gary Locke of Washington.
- Wetland and Invasive Plants of the Southeast*. University of Florida Center for Aquatic and Invasive Plants. University of Florida publication No. SP276. 37pp. Coloring book includes drawings of 59 native wetland plants of the southeastern United States.
- White, William, Jr. 1972. *A Frog is Born*. Sterling Publishing Co.: New York, N.Y. pp 29-37. Excellent source on frog embryology. Both the text and the pictures will be useful to students in filling in their charts.
- Williamson, D.F. 2003. *Caviar and Conservation: Status, Management and Trade of North American Sturgeon and Paddlefish*. TRAFFIC North America: Washington, D.C. Electronic edition available at <http://www.traffic.org>.
- Zim, Herbert S. and Joy Buba. 1950. *Frogs and Toads*. William Morrow and Co.: New York, N.Y. Drawings rather than photographs, but the text is especially useful to students.

## Multimedia

- DWP Inc. *Into the Outdoors*. Milwaukee, Wis. [http://www.intotheoutdoors.org/ito\\_sg\\_307\\_paddlefish.html](http://www.intotheoutdoors.org/ito_sg_307_paddlefish.html). Accessed May 20, 2004. Information on paddlefish and a short streaming video on paddlefish monitoring in Wisconsin narrated by a middle-school girl.
- Louisiana Public Broadcasting Television Network. *Enviro-Tacklebox Module No. 3: Non-Native Invasion* (video). 2000. Ordering information at <http://www.envirotacklebox.org>.
- Wills, Betty. *The Paddlefish: An American Treasure* (video). Earthwave Society: Fort Worth, Texas. This video addresses all facets of the life of paddlefish in the United States. It includes information on ongoing conservation efforts and methods, as well as the reasons for the decline of the population and current laws. Summary and ordering information at <http://www.earthwave.org/paddlefish.htm>. Cost \$24.95 plus shipping and handling.

## Internet sources

- American Fisheries Society. *Listing of Abstracts on Paddlefish Biology and Management from the 1998 Southern Division of the American Fisheries Society*. <http://www.sdafs.org/meetings/98sdafs/reservor/reservor.htm>. Accessed June 11, 2004.

American caviar – *Paddlefish caviar*. 1-800-caviar.com.  
<http://www.1-800-caviar.com/paddle-fish.html>. Accessed July 22, 2003.  
Commercial site that sells paddlefish roe, includes pricing and description of the taste of paddlefish roe.

“An American Journey.” *Jackson Times*.  
<http://www.pasorobles-usa.com/paddlefish.htm>. Accessed Jan. 21, 2004.  
Article describes the journey of a tagged paddlefish that crossed dams.

Aswan High Dam. <http://teacherlink.ed.usu.edu/tlresources/units/byrnes-africa/KAYMUR/>.  
Accessed Jan. 21, 2004.  
Lesson plan with additional background information.

The Bridge, Ocean Sciences Education Teacher Resources. *Exotic Species*.  
<http://www.vims.edu/bridge/exotic.html>. Accessed June 14, 2004.  
Numerous links to exotic species sites.

Cebra-Thomas, Judy. *Overview of Chick Development*. Swarthmore College.  
[http://www.swarthmore.edu/NatSci/sgilber1/DB\\_lab/Chick/Chick\\_dev.html](http://www.swarthmore.edu/NatSci/sgilber1/DB_lab/Chick/Chick_dev.html).  
Accessed July 20, 2003.  
College-level description of chick embryology, reference for teachers, although the site does include some images that might be helpful to students.

Commonwealth of Pennsylvania, Fish and Boat Commission. *Question of the Week*.  
[http://sites.state.pa.us/PA\\_Exec/Fish\\_Boat/qpadl.htm](http://sites.state.pa.us/PA_Exec/Fish_Boat/qpadl.htm). Accessed July 22, 2003.  
Paddlefish restoration in Pennsylvania.

Cooper, Calene. *Missouri State Aquatic Animal – Paddlefish Model Assembly*. Successlink.  
<http://www.successlink.org/great2/g661.html>. Accessed June 14, 2004.  
Lesson plan using model, background information on paddlefish and links to other paddlefish sites.

Corsentino, Pattyanne. 1995. *Ecosystem Matters: Activity and Resource Guide for Environmental Educators*. U.S. Department of Agriculture.  
<http://www.na.fs.fed.us/spfo/pubs/misc/eco/>. Accessed June 14, 2003.

Decelles, Paul. *pH Scale*. The Entangled Bank.  
<http://staff.jccc.net/pdecell/chemistry/phscale.html>. Accessed June 14, 2004.  
Full-color scale with examples of solutions at each pH level.

Delaware Sea Grant Marine Advisory Service. *Delaware Aquaculture Resource Center Home Page*. <http://128.175.24.162>. Accessed June 11, 2004.  
An archive of information about aquaculture in Delaware and the Mid-Atlantic region, covering both freshwater and marine culture. Maintained and continually updated by the Sea Grant Marine Advisory Service Aquaculture Specialist to provide an expanding list of resources and other useful information.

Department of Justice. Jan. 31, 2002. *Caviar Company and President Convicted in Smuggling Conspiracy*. [http://www.usdoj.gov/opa/pr/2002/Jan./02\\_enrd\\_052.htm](http://www.usdoj.gov/opa/pr/2002/Jan./02_enrd_052.htm).  
Accessed May 7, 2004.

<http://www.agedhq.org/aquaculture/howto.htm>. Accessed June 11, 2004.
- National Invasive Species Council. *Invasivespecies.gov*.  
<http://www.invasivespecies.gov>. Accessed June 11, 2004.  
 Profiles terrestrial plants and animals, aquatic plants and animals and microbes.
- National Sea Grant College Program and the Great Lakes Sea Grant Network.  
*Sea Grant Nonindigenous Species Site (SGNIS)*. <http://sgnis.org>. Accessed June 14, 2004.  
 Research publications and educational materials on aquatic nuisance species, including links to other related sites.

Northern Prairie Wildlife Resource Center. *North Dakota's Federally Listed Endangered, Threatened, and Candidate Species – 1995 – Paddlefish*.  
<http://www.npwr.usgs.gov/resource/distr/others/nddanger/SPECIES/POLYSPAT.HTM>.  
Accessed June 11, 2004.  
Status of the paddlefish in North Dakota as well physical descriptions, habitat, life history, aid to identification and reasons for decline.

Paddlefish. Iowa Department of Natural Resources.  
<http://www.iowadnr.com/education/files/pddlfs.pdf>. Accessed Jan. 21, 2004.

*Paddlefish Project Overview*. U.S. Geological Survey Upper Midwest Environmental Sciences Center. <http://www.umesc.usgs.gov/aquatic/fish/paddlefish/video.html>.  
Accessed Jan. 21, 2004.  
Six-minute comprehensive video overview of the USGS Paddlefish Project, including the impact of dam construction.

Parmentier, Jan and Wim van Egmond. *Water Fleas*.  
<http://www.microscopy-uk.org.uk/mag/artjun99/wflea.html>. Accessed Jan. 5, 2004.  
Images and descriptions of *Daphnia* spp.

Paulson, Nicole and Jay Hatch. *Paddlefish*, *Polyodon spathula*. Minnesota Department of Natural Resources and U.S. Fish and Wildlife Service.  
<http://www.gen.umn.edu/research/fish/fishes/paddlefish.html>. Accessed June 14, 2004.  
Discusses the fishes of Minnesota. The site was designed for educational purposes and includes pictures, biology and reasons for paddlefish decline.

Quarry Commando.com. *Paddlefish Facts*. <http://www.quarrycommando.com/paddlefish.html>.  
Accessed July 22, 2003.  
Overview of paddlefish range, adaptations and life cycle. Includes many pictures.

Rader's Chem4Kids. *Acids and Bases Are Everywhere*.  
[http://www.chem4kids.com/files/react\\_acidbase.html](http://www.chem4kids.com/files/react_acidbase.html). Accessed June 14, 2004.  
Site is designed for students. Explains pH scale and includes basic chemistry definitions.

Sabine Parish Office. *Toledo Bend Dam and Reservoir*.  
<http://www.sabineparish.com/attract/toledo.asp>. Accessed Sept. 10, 2004.  
Information about the reservoir, hydroelectric generators and cost of construction, plus a graphic of the generator.

Sabine River Authority of Texas. *Toledo Bend Project*.  
<http://www.sra.dst.tx.us/projects/tbp.asp>. Accessed Sept. 10, 2004.  
History of construction, the dedication and current weather conditions.

Scarnecchia, Denis L. and Brad Schmitz. *Paddlefish*. Montana Department of Fish, Wildlife and Parks. <http://www.fisheries.org/AFSmontana/SSCpages/Paddlefish.htm>.  
Accessed July 22, 2003

Schmidt, Konrad. *The Distribution and Status of Paddlefish (Polyodon spathula) in Minnesota*. Minnesota Department of Natural Resources.  
<http://www.nativefish.org/Articles/PaddlefishDistribution.htm>. Accessed July 31, 2004.  
This site accompanies the elemental occurrence maps from the Schmidt link.

- Schools of California Online Resources for Education. *Venn Diagram*.  
<http://www.sdcoe.k12.ca.us/score/actbank/tvenn.htm>. Accessed June 14, 2004.  
Describes a Venn diagram and how to use one.
- Schumann, Kai. *Daphnia FAQ*.  
<http://www.ee.pdx.edu/~davidr/discus/articles/daphnia.html>. Accessed Jan. 5, 2004.  
Comprehensive information for *Daphnia* spp. cultures.
- Science Junction. *Water What-ifs: Water Quality and pH*.  
<http://www.ncsu.edu/sciencejunction/depot/experiments/water/lessons/pH/>  
Accessed July 14, 2004.  
Background information about pH.
